Safety Instructions

Read and follow the safety instructions below.

1.The light bars are not waterproof. Avoid exposing them to splashes or drops of water.

2. The working temperature should be between -20°C to 40°C (-4°F to 104°F).

3.The internal light source of the light bars cannot be replaced. If damaged, the light bars must be replaced.

4.Do not let children install the light bars alone.

5. Avoid installing the light bars near heat sources.

6. External dimmers cannot be used with the light bars.

7.Avoid installing the light bars near potentially dangerous sources (e.g., candles, liquid -filled objects).
